Notes:

For International Students – The Graduate Engineering Orientation is different from the [International Student Orientation](#), your presence is **mandatory** for both.

EE Students – Please indicate on the [online RSVP](#) the specialization area in which you will be studying.

CE and TE students do not need to choose a specialization area.

- For other EE/CE/TE new graduate student orientation-related questions, email ecegradprogram@utdallas.edu
- If unable to attend due to conflict in schedule, [request online form for alternate orientation](#) (link available on January 6-16, 2018)
- For deferment, see [how to defer admissions](#)
- To decline admission, see [how to accept/decline admission](#)
- For visa matters, see [UTD-ISSO](#) or email ISSOProspective@utdallas.edu (for both prospective and new students)
