ECE $1,000 Graduate Study Scholarship

The Electrical and Computer Engineering Department offers a limited number of $1,000 competitive, merit-based scholarships to current/incoming graduate students. All current/incoming MS or PhD students in computer engineering, electrical engineering or telecommunications engineering are eligible to apply, except students who have been or will be receiving full financial support (e.g. teaching assistantship or research assistantship).

Criteria to be considered in awarding these scholarships are:
1) GPA at previous institution and UTD (only for current students)
2) GRE scores
3) Honors and awards received
4) Published research

You can apply through the Jonsson School Fellowships page below. https://engineering.utdallas.edu/academics/graduate-education/fellowships/
Click “Jonsson School $1,000 Graduate Study Scholarships” and click again “apply online”. Fill out the online form and submit. Please DO NOT SUBMIT multiple applications.

Please DISREGARD due date which is written as July 15, 2020 in the web page and online submission link.

The application deadline for Spring 2021 scholarships is December 23, 2020. The $1,000 scholarships will be awarded on a rolling basis immediately, and students are encouraged to apply early.
